## **How does StartStart work?**

The purpose of SmartStart is to help people reach their goals and achieve long term financial stability. SmartStart is designed to be a 4 step program that consists of 1) A budget class followed by 2) A one-on-one coaching session 3) A credit class followed by 4) A one-on-one coaching session. Classes last 1hr 15 mins and counseling sessions last about 45 mins. A workbook is given to each client and used in all classes and coaching sessions. The workbook provides homework, goal setting, reporting and tools that can be used long after their time at CDCU ends.
